SUPPORTING NMPP ENERGY COMMUNITIES THROUGH THE CHAMPION BUSINESS PROGRAM

Thank you for taking the time to look over this directory of NMPP Energy Champion businesses. Through their involvement in the Champions program, these organizations have made a commitment to support member communities of the organizations of NMPP Energy.

We thank each of these organizations for their commitment to our member communities in a variety of fields including financial, community/utility services and supplies, software/technology, regulatory/compliance, engineering, insurance, legal and telecommunications.

When considering third-party organizations for municipal projects and services, we highly encourage communities to consider the Champion businesses listed in this directory. Each NMPP Champion business is approved by NMPP Energy.

In addition to this directory, the Champions listing can also be found on NMPP Energy's website (www.NMPPEnergy.org) along with a link to each organization's website, and in each monthly issue of NMPP Energy News.
