[FORM OF REVERSE SIDE OF BOND]

This bond is one of a duly authorized issue of bonds of MEAN designated as its “Power Supply System Refunding Revenue Bonds, ____ Series ____” in the aggregate principal amount of \$ _____ issued pursuant to the Municipal Cooperative Financing Act of the State of Nebraska, as amended and supplemented (herein called the “*Act*”), and under and pursuant to the Power Supply System Revenue Bond Resolution adopted August 21, 2003, as supplemented by the Eighth Supplemental Power Supply System Revenue Bond Resolution adopted August 20, 2026 (herein collectively called the “*Bond Resolution*”) for the purpose of (a) providing for the payment and redemption of [all/a portion] of MEAN’s outstanding [Power Supply System Revenue and Refunding Bonds, 2013 Series A/Power Supply System Refunding Revenue Bonds, 2016 Series A], [and] (b) paying costs of issuance of the Refunding Bonds[, and (c) funding a deposit into the Debt Service Reserve Account].

As provided in the Bond Resolution, the Bonds are direct and special obligations of MEAN payable solely from and secured as to payment of the principal or redemption price thereof, and interest thereon, in accordance with their terms and the provisions of the Bond Resolution solely by (a) the proceeds of the sale of the Bonds, (b) the Revenues, (c) all right, title and interest of MEAN under the Power Supply Contracts and (d) all funds established by the Bond Resolution (excluding the Operating Credit Account) including the investment income, if any, thereof, subject only to the provisions of the Bond Resolution permitting the application thereof, for the purposes and on the terms and conditions set forth in the Bond Resolution. Copies of the Bond Resolution are on file at the office of MEAN and at the corporate trust office of Computershare Trust Company, N.A., St. Paul, Minnesota, as Trustee under the Bond Resolution, or its successor as Trustee. Reference to the Bond Resolution and any and all supplements thereto and modifications and amendments thereof and to the Act is made for a description of the pledge and assignment and covenants securing the Bonds, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the Registered Owners of the Bonds with respect thereto, the terms and conditions upon which the Bonds are issued and may be issued thereunder, the terms and conditions upon which this bond shall cease to be entitled to any lien, benefit or security, under the Bond Resolution and all covenants, agreements and obligations of MEAN under the Bond Resolution may be discharged and satisfied at or prior to the maturity or redemption of this bond if moneys or certain specified securities shall have been deposited with the Trustee, and for the other terms and provisions of the Bond Resolution.

As provided in the Bond Resolution, bonds of MEAN may be issued from time to time pursuant to supplemental resolutions in one or more Series, in various principal amounts, may mature at different times, may bear interest at different rates and may otherwise vary as in the Bond Resolution provided. The aggregate principal amount of bonds which may be issued under the Bond Resolution is not limited except as provided in the Bond Resolution, and all bonds issued and to be issued under the Bond Resolution are and will be equally secured by the pledge and assignment and covenants made therein, except as otherwise expressly provided or permitted in the Bond Resolution.

To the extent and in the manner permitted by the terms of the Bond Resolution, the provisions of the Bond Resolution, or any resolution amendatory thereof or supplemental thereto,

may be modified or amended by MEAN, with the written consent of the holders of not less than a majority in principal amount of the Bonds then outstanding under the Bond Resolution, and, in case less than all of the Series of Bonds would be affected thereby, with such consent of not less than a majority in principal amount of the Bonds of each Series so affected then outstanding under the Bond Resolution, and, in case such modification or amendment would change the terms of any sinking fund installment, with such consent of not less than a majority in principal amount of the Bonds of the particular Series and maturity entitled to such sinking fund installment then outstanding, and, in case such modification or amendment would affect the Operating Credit Obligation, with such consent of the holder of the Operating Credit Obligation; *provided, however*, that, if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain outstanding under the Bond Resolution, the consent of the holders of such Bonds shall not be required and such Bonds shall not be deemed to be outstanding for the purpose of the calculation of outstanding Bonds. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or redemption price thereof or in the rate of interest thereon without the consent of the holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee or of any Paying Agent without its written assent thereto. For purposes of calculating the principal amount of the Bonds outstanding, the aggregate principal amount of advances under the Operating Credit Obligation on the date of such calculation shall be included.

This Bond is transferable, as provided in the Bond Resolution, only upon the books of MEAN kept for that purpose at the above-mentioned office of the Trustee, by the registered owner hereof in person, or by his duly authorized attorney, upon surrender of this Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney, and thereupon a new registered Bond or Bonds, without coupons, of the same Series, maturity and interest rate, and in the same aggregate principal amounts, shall be issued to the transferee in exchange therefor as provided in the Bond Resolution and upon payment of the charges therein prescribed. MEAN, the Trustee and the Paying Agent may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes.

The Bonds are issuable only as fully registered bonds in the denominations of \$5,000 principal amount or any integral multiple thereof (except as provided in the Bond Resolution). Subject to the conditions and upon the payment of the charges provided in the Bond Resolution, the owner of any registered Bond or Bonds without coupons may surrender the same (together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney) in exchange for an equal aggregate principal amount of registered Bonds without coupons of the same Series, maturity and interest rate of any other authorized denominations.

The Bonds are not subject to redemption prior to maturity.
