Scholarship Program

The Municipal Energy Agency of Nebraska's scholarship program provides funding assistance for educational opportunities for municipal employees of MEAN long-term power participants

MEAN APPA National Conference Scholarship

This scholarship is available for municipal employees and elected officials from MEAN long-term power participant communities under the Service Schedule M (SSM) contract. The scholarship provides funding assistance for MEAN board members to attend the American Public Power Association's National Conference.

Funding parameters

- The APPA National Conference Scholarship provides funding for up to 100 percent of the registration/tuition fee. It does not cover expenses such as travel, meals and lodging.
- Limit of \$1,000 per community per year is available.

**AMERICAN
PUBLIC
POWER
ASSOCIATION**

MEAN Lineworker Scholarship

This scholarship is available to MEAN participant communities that purchase bulk power under the Service Schedule M or K (SSM/SSK) power schedules. It provides funding assistance to any program, workshop, conference, etc. related to lineworker-specific areas.

Funding parameters

- The MEAN Lineworker Scholarship provides funding for up to 100 percent of the registration/tuition fee. It does not cover expenses such as travel, meals and lodging.
- Limit of \$1,000 per community per year is available.

MEAN General Scholarship

This scholarship is available for municipal employees and elected officials from MEAN participant communities that purchase bulk power under the Service Schedule M or K (SSM/SSK) power schedules. The scholarship provides funding assistance for:

- Utility and lineworker training
- Economic and community development
- Safety training
- Training for elected officials and clerks
- APPA-sponsored courses

Funding parameters

- The General Scholarship provides for up to 50 percent of the registration/tuition fee. It does not cover expenses such as travel, meals and lodging.
- Limit of \$500 per community per year.
