<u>Acknowledge Receipt of the Unapproved Minutes of the November 4, 2026, Joint Operating Committee Meeting</u>

Unapproved minutes of the November 4, 2026, meeting of the Joint Operating Committee was previously distributed and included as *Attachment B* of the meeting packet.

Consent Resolution

WHEREAS, certain business of the Board of Directors of the Municipal Energy Agency of Nebraska (MEAN) transpires on a regular and routine basis or is not of a controversial nature; and,

WHEREAS, roll call votes on each individual issue greatly extended the meeting time.

NOW, THEREFORE, BE IT RESOLVED BY THE MEAN Board of Directors that in the interest of economizing time, yet complying with the Open Meetings Act of the State of Nebraska, which requires roll call voting, the following issues are hereby consolidated in this Consent Resolution:

BE IT FURTHER RESOLVED BY the MEAN Board of Directors that the minutes of the August 20, 2026 meeting are hereby approved; and

BE IT FURTHER RESOLVED BY the MEAN Board of Directors that the next meeting will be held on Thursday, January 21, 2027 at the Younes Conference Center South, 416 W Talmadge Rd, Kearney, Nebraska. In the case of inclement weather, the meeting may be held virtually; and

BE IT FURTHER RESOLVED BY the MEAN Board of Directors that the financial statements for July, August and September 2026 are hereby accepted; and

BE IT FURTHER RESOLVED BY the MEAN Board of Directors that the receipt of the unapproved November 4, 2026 minutes of the Joint Operating Committee is hereby acknowledged.

MEAN Board of Directors

DISTINGUISHED SERVICE AWARD PROGRAM*

Date:	November 19, 2026
Initiator/Staff Information Source:	Bruce Doll
Action Proposed:	Information/Approval

Bruce Doll, Director of Utility Services and Member Relations, will present the proposed Distinguished Service Award framework for Board consideration as described in Attachment C – Exhibit A, of the meeting packet. The award would recognize individuals whose exceptional service has made a lasting contribution to MEAN, NMPP Energy, its members, or public power. The selection criteria cover leadership, service, impact, stewardship, and legacy. MEAN would present the award only when a candidate meets the criteria.

MEAN members may recommend individuals to the Executive Director or Board Chair. Before submitting a formal nomination, the Executive Director or Board Chair would confirm that the nominee meets the selection criteria and prepare a brief summary of the nominee's contributions. The nomination would go directly to the MEAN Board of Directors for final approval. Following Board approval, MEAN would honor the recipient with a Board resolution or proclamation and a commemorative plaque at an appropriate MEAN or NMPP Energy meeting or event.

MEAN BOARD OF DIRECTORS RESOLUTION

WHEREAS, the Municipal Energy Agency of Nebraska ("MEAN") is a not-for-profit wholesale electricity agency that serves its participating member communities and operates as part of the NMPP Energy coalition; and

WHEREAS, many individuals, including member representatives, elected and appointed officials, and employees, have made exceptional contributions to MEAN, NMPP Energy, its members, and public power; and

WHEREAS, the MEAN Board of Directors (the "Board") wishes to establish a consistent and dignified means of recognizing individuals whose exceptional service has made a lasting contribution; and

WHEREAS, the Board has reviewed the proposed Distinguished Service Award Program (the "Program"), as described in Exhibit A, including its eligibility standards, selection criteria, nomination and approval process, and form of recognition;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Municipal Energy Agency of Nebraska that the Distinguished Service Award Program is hereby approved and established as described in Exhibit A.

BE IT FURTHER RESOLVED that this Resolution shall take effect upon adoption.

FEDERAL SECURITIES LAW REQUIREMENT – ANNUAL BOARD TRAINING

Date:	November 19, 2026
Initiator/Staff Information Source:	Staff
Action Proposed:	Information

Jamie Johnson, Director of Finance and Accounting, will present the annual Board training regarding the requirements of federal securities laws in accordance with the Best Practices section of MEAN's Bond Compliance Policy.

Agenda Item Number: 8

MEAN Board of Directors

COMMITTEE REPORTS AND RECOMMENDATIONS

Date:	November 19, 2026
Initiator/Staff Information Source:	Staff
Action Proposed:	Information/Approval

Power Supply Committee

Meeting Summary of November 18, 2026 Jason Rosenkranz, Director of Wholesale Electric Operations, will review the background, timeline, and upcoming action items for the Integrated Resource Plan (IRP) process. He will also provide updates on the Sandhills Solar projects and the Behind-the-Meter Generation Capacity Incentive Program approved by the Board at its August meeting, and report on the status of a Southeast Nebraska Energy Alliance (SNEA) Interlocal project opportunity and the evaluation of a potential power purchase agreement for hydroelectric power near Redlands, Colorado.

Committee members will be asked to provide input on the development of a New Load Process, including a working threshold for identifying spot loads that the regular load forecast does not capture. The presentation will explain why these loads may arrive faster than planning cycles allow and what that could mean for resource adequacy, interconnection and transmission studies, commitment signals, and cost fairness for existing members. A subsequent presentation will explain why transmission costs are expected to rise over the next decade and what members can do to prepare.

Markets+ and Western Resource Adequacy Program (WRAP) Participation Vote*

The Board will be asked to consider a resolution authorizing the Executive Director to execute agreements for MEAN to participate in Southwest Power Pool (SPP) Markets+ and the Western Resource Adequacy Program (WRAP), subject to final legal and management review. The presentation will give an overview of both programs and explain how they affect MEAN loads in the Public Service Company of Colorado (PSCo) area of the Western Interconnection.

The Power Supply Committee will be asked to consider a recommendation at its November 18, 2026 meeting.

MEAN BOARD OF DIRECTORS RESOLUTION

BE IT RESOLVED BY the MEAN Board of Directors that the Executive Director is hereby authorized to execute agreements for MEAN to participate in Markets+ and the Western Resource Adequacy Program (WRAP), subject to final legal and management review.

BE IT FURTHER RESOLVED BY the MEAN Board of Directors, that the Executive Director of MEAN is hereby authorized to do any and all things and to execute and deliver any and all documents which he deems necessary or advisable in order to consummate the execution and delivery of such agreements. Notwithstanding any provision of this Resolution authorizing the Executive Director to take any action or execute any document to the contrary, in the absence of the Executive Director or in lieu of the Executive Director, the person designated in writing by the Executive Director, may take such action or execute such document with like effect as fully as though named in this Resolution instead of the Executive Director.

Finance Committee

Meeting Summary of October 21, 2026 and November 18, 2026 Jamie Johnson, Director of Finance and Accounting, will provide a summary of the following items presented to the MEAN Finance Committee at the meetings:

Capacity Commitment Compensation Rates and Charges. The Schedules of Rates and Charges include the various capacity commitment compensation rates and charges. Johnson will provide an update on the various components as work begins on the Fiscal Year 2027-2028 budget.

Preliminary Shared Administrative and General Budget for Fiscal Year 2027-2028 including Budgeted Positions and Allocation of Expenses/Reimbursement for Services Rendered and Resources Utilized. The review will include preliminary shared costs, shared capital plan, budgeted positions, and allocation of expenses/reimbursement for services rendered and resources utilized.

Services Committee

Meeting Summary of November 18, 2026

Bruce Doll, Director of Utility Services and Member Relations, will summarize the items presented to the MEAN Services Committee. He will recap the inaugural Lineworkers Training Conference and share key takeaways from the October Safety roundtables. He will also provide updates on MEAN's annual Generation Workshops and Tree Trimming Training, along with the field evaluations underway at several MEAN member utilities.

A report on MEAN’s work with Harris Computer to address member concerns about support delays, technical issues, and communication with PowerManager, a summary of MEAN’s evaluation of a regional operations and maintenance program with City Light & Power and an introduction to the NMPP Energy Marketplace, where communities served by ACE, MEAN and NPGA can list municipal and utility equipment for sale at no charge, will be presented.

NMPP Energy Operations Mobile App and Website

The **NMPP Energy** Operations Mobile App and Website are integral components in advancing the operational efficiency and safety of communities. They are engineered to optimize the management and response capabilities of community utilities by providing a suite of robust tools tailored for diverse scenarios. This digital platform enables users—from city clerks to utility managers — to swiftly react to incidents such as outages, security threats, or resource shortages through instant communication channels and real-time updates. Additionally, the app and website offer proactive management features, allowing for the monitoring and maintenance of critical infrastructure. This includes the capability to report physical and cyber threats directly to specialized response teams and coordinate with Information Sharing and Analysis Centers (ISACs), thus fostering a resilient, informed, and prepared community environment. By integrating cutting-edge technology with user-friendly interfaces, the NMPP Energy Operations Mobile App and Website ensure that community utilities can maintain high standards of safety and efficiency, ultimately enhancing the quality of life for all residents.

Key Features for Rapid Response and Security:

- **Mutual Aid Coordination:** Easily request mutual aid and find nearby equipment and manpower with just one click.
- **Physical Security Reporting:** Allows users to report physical threats to critical infrastructure directly to the NMPP Digital Solutions Group for immediate action and communication with Information Sharing and Analysis Centers (ISACs).
- **Cybersecurity Notification:** Enables prompt reporting of cyber threats, helping communities comply with federal regulations and coordinate with Cybersecurity ISACs to maintain digital security.
- **Outage Reporting:** Users can report power outages swiftly, enabling NMPP personnel to track and address these incidents efficiently.
- **Generation Notification**: Facilitates notification to NMPP and TEA when municipal generation systems are operated, ensuring compliance with environmental standards and financial settlements.
