

MUNICIPAL ENERGY AGENCY OF NEBRASKA
POWER SUPPLY COMMITTEE
SCOPE

A. Summary

The Power Supply Committee (“Committee”), a subcommittee of the Municipal Energy Agency of Nebraska (“MEAN”) Board of Directors (the “Board”), is responsible for the duties listed below.

B. Composition of the Committee

The Committee will be comprised as follows:

1. The Committee will consist of ten (10) committee members (each a “Committee Member”) appointed by the Chair of the Board from among the list of Board representatives or alternate representatives. No proxies are allowed. The Chair of the Board shall serve as an ex officio member of the Committee, shall not be counted in determining the number required for a quorum of the Committee for conducting business, but may vote on matters.
2. Each Committee Member shall serve until the earliest of his or her (i) resignation, (ii) loss of status as a Board representative or alternate representative, or (iii) removal as a Committee Member by the Chair of the Board.
3. One Committee Member will be appointed by the Chair of the Board to serve as Chair of the Committee.
4. In the event of a vacancy on the Committee, the Chair of the Board will have the option to fill the vacancy by selecting a new Committee Member or may allow the vacancy to continue.
5. Personal characteristics to be considered when selecting Committee Members shall include but not be limited to the following:
 - Ability to listen, analyze, think clearly and creatively, work well with people individually and in a group.
 - Willing to prepare for and attend Committee meetings, ask questions, actively provide input, interact respectfully with staff and Committee Members, and contribute positively to group dynamics. A Committee Member who fails to attend three (3) consecutive meetings of the Committee may be asked to resign from the Committee.
 - Maintain or develop skills necessary to read and understand financial statements, learn more about the energy and energy services business, understand role and responsibility as a Committee Member.
 - Possess honesty, sensitivity to and tolerance of differing views, a friendly, responsive, and patient approach, community-building skills, personal integrity, and concern for the organization’s welfare.

C. Responsibilities

The Committee’s responsibilities, in collaboration with staff, include the following:

1. Develop and maintain power supply-related planning, purchasing strategies, and reporting systems that help define power supply performance and reliability.

2. Monitor the condition of power supply resources, their competitive position and sustainability, the economies of scale achieved, their geographic concentration, and deviations of load and kWh from expectations.
3. Assess the effectiveness of existing power supply strategies, objectives, policies and procedures based on input from cross-functional sources; provide reports and recommendations as necessary.
4. Develop long range forecasts that identify future resource needs and economic viability; annually compare current resource portfolio to optimal portfolio to updated future resource plans.
5. Identify the power supply resources that are needed to serve Participant load and are reliable, cost-competitive, sustainable, diverse in nature, and environmentally sound.
6. Provide guidance to executive management's recommendations of ownership agreements, power supply and Participant contracts, and partnerships.
7. Develop criteria for, and report on, strategies impacting sustained operations and optimal growth.
8. Develop strategies, policies and procedures that maximize opportunities in the coordination center to minimize net energy and transmission costs and that optimize the use of power supply resources.
9. Other duties as assigned by the Board from time to time.

The Committee may perform other functions as may be necessary or appropriate for advising the Board.

D. Meetings

The Committee will meet as needed and may conduct the meetings by any lawful means. The presence of a majority of the Committee Members, as that term is defined above, will be necessary for the transaction of business by the Committee. Action may be taken upon a vote of a majority of the votes which the Committee Members present are entitled to cast.

E. Reporting

The Committee reports to the Board. The role and power of the Committee is advisory only. The Committee shall not have authority to act on behalf of the Board. No action or inaction by the Committee shall impair or affect the authority or power of the Board or other authorized parties acting on behalf of MEAN.
